## **SB 2196 - HB 2180**

February 8, 2000

**SUMMARY OF BILL:** Allows local education agencies (LEAs) to issue high school diplomas to veterans who failed to receive diplomas due to an interruption of their education by service in World War II.

### **ESTIMATED FISCAL IMPACT:**

#### **MINIMAL**

This legislation is permissive on LEAs. However, it is estimated that only a small number of veterans would be in this category and would require a minimal amount of staff time for the preparation and issuance of this diploma.
